<b>Notes</b>					
1: The elective choice must be made to the TM at least 4 weeks before exams.					
2: For recertification exams – Modules 1,3,4 for PEI; For Endorsements <u>add</u> the following to Module 1,3,4: Module 5 for Boiler's – Endorsement A; Module 6 for Pressure Vessels – Endorsement B; Module 5 & 6 for both Endorsements.					
3: Any other published work or manufacturers pocket book, guide or reference is also ALLOWED					
4: All personal notes are NOT ALLOWED.					
5: The standards or other documents may be reasonably annotated with notes related to the examinees normal range of work, however CBIP reserves the right to disqualify a candidate if it is felt that the annotations are direct references to questions.					
5: CBIP may revise this list periodically, however it is the candidates responsibility to have current references.
